ABOUT US

The mission of the Redbank Valley Chamber of Commerce is to represent the interests of our members and the Redbank Valley community.

The Redbank Valley Chamber of Commerce supports the Redbank Valley area's quality of life by facilitating strategic partnerships and educating local businesses on the benefits of economic development. Additionally, the Chamber advocates for local and regional competitive economic vitality while promoting civic leadership and community engagement.

OUR LOCATION

The Redbank Valley area has a central tri-county location along the rolling hills of rural northwestern Pennsylvania, one hour north of Pittsburgh, in southern Clarion County and northern Armstrong County, at the midpoint of the Redbank Valley Trails, centered around downtown New Bethlehem, which lies at the intersection of State Routes 28 & 66, with easy access to Interstate 80.
